Malaysian food has gained popularity worldwide. Learn how to recreate Malaysian dishes in one of the most famous kitchens in Penang.

Whether you are a foodie or just simply enjoy cooking, join our weekly culinary class conducted by chefs from The E&O Hotel.

Our chef instructors are also selected because of their passion and dedication to their craft and their professional backgrounds. Each course covers the background and origins of the different cooking styles and ingredients (herbs and spices) that are used in each class.

After class, students will be seated at Family Tables to enjoy their cooked dishes with a glass of wine.
